

**Polish for
Foreigners
Language
Training
for your staff**

- Does your company employ foreigners?
- Do they need Polish for work or their everyday life in Poland?
- Would you like to provide them with language instruction?

If YES, then you should continue with this presentation!

**Based on the Customer' s needs,
training can be held:**

- **At your company' s offices**
- **At the Accent School of
Polish in Krakow**
- **Through distance learning
or e-learning**

Our Offer Includes:

- **Group or individual language instruction at all levels of language proficiency**
- **„Survival Polish” courses**
- **„Polish at Work”**
- **Total immersion courses - very intensive courses combined with cultural and tourist program**

„Polish at Work”:

- **Basic office communication**
- **Polish for business purposes**
- **Special needs courses
(Polish for medicine, IT, trade, etc.)**
